COMMENT ON REASONS FOR ALLOWANCE

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants respectfully traverse the statement of reasons for allowance.

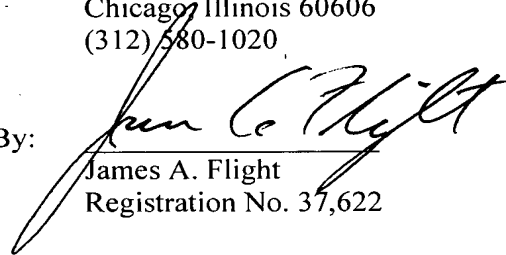

The Statement of reasons for allowance on Page 2 of the Notice of Allowance dated September 13, 2007 imprecisely groups limitations from various claims into the same paragraph as reasons for allowance of claims 1, 15, 23 and 51. In other words, the statement of reasons for allowance appears to be a compilation of recitations (or derivations thereof) taken from various ones of the allowed claims. However, not all of these recitations are included in every claim. Applicants traverse any suggestion that these recitations can be imported into any claim in which they are not expressly recited or that these

recitations are in any way "essential" or "important" for distinguishing the art.

Respectfully submitted,
